The Board does not have the right to and will not direct or control the Instructors. The Instructors shall arrange the general objectives of the performance of the services based on each student's IEP and shall cooperate with the School on the scheduling of the services to be performed. The Board, or its designee, are responsible for assisting the Instructor in developing a working schedule based upon the needs of the child. Nothing contained in this Agreement shall be construed to create any other relationship, including that of employer-employee.
