Dear Parents and Students of FTS:

Franklin Township School District will no longer be using the old Digital Driver's License that was used in past years. There is a new Technology Quiz that will replace that Digital Driver's License. The new quiz highlights rules and conduct that is relative to the FTS Acceptable Use Policy.

Below is a link for the new Franklin Township School Technology Quiz. The quiz can also be found on Ms. Gooditis's website. Students in grades 4-8 are required to take the quiz prior to the first day of school, Tuesday, September 4, 2018.

Please note that students are allowed to take the test only once and **must** use their Franklin Township School email address.

The quiz is only 22 questions and should not require more than 30 minutes to complete.
