To the Franklin Township School Board of Education:

Thank you for allowing me to spend my semester shadowing Mrs. Lahman and her classroom. I've learned a tremendous amount about classroom management, teaching techniques, and essential skills to ensure student success. As a former student of FTS, the opportunity to walk the halls as a teacher has impacted me beyond words. I grew up in this school, and it was a privilege to return here to continue growing. I've truly enjoyed the entire semester, and am so very thankful for the experience. Thank you for helping me advance in my journey towards becoming an elementary school teacher.

Sincerely,

Emily Hudak

Dear Board of Education:

Over the past 3 months I have had the opportunity to observe Ms. Browning's first grade class in Franklin Township School. The observation was provided thru my Field Experience in Multiple Culture Setting course at Raritan Valley Community College.

I would like to extend my thanks to the Board of Education of Franklin Township for providing me with the opportunity to work along side Ms. Browning and her first grade students. I was able to gain so much from Ms. Browning's skills and knowledge as a teacher. This experience is invaluable toward my education and ultimate objective of becoming an elementary school educator. I will take this experience with me as I complete my degree in Elementary Education at Rider University.

Again thank you for letting me be a part of Franklin Township School.

Sincerely,

Emily Anders
