Dear Mary Lou,

On behalf of the GI Go Fund and the thousands of veterans we serve across the country, we are saying thank you for participating in our *Jeans for Troops* drive this year. The participation by your organization is having an enormous impact on the lives of countless military members.

With your support, we are expanding our organization's services to veterans and creating new, innovative ways to help them secure employment, education, and health benefits, as well as providing basic aid and assistance to low income and homeless veterans.

This year's drive has shattered our past record for the program, with thousands of schools, businesses, municipalities, and organizations wearing *Jeans for Troops* for Veterans Day, adding to the millions of participants since 2011. We are honored by the outpouring of support from across the country, as every participating organization has made an enormous impact on the lives of our veterans.

We have had tremendous success with *Jeans for Troops* program due to the participation of great organizations like yours. Thank you once again for participating in the *Jeans for Troops* drive for The GI Go Fund.

Thank you,

  
Jack Fanous  
Executive Director
