

Small Grants Program Budget for Franklin Township

The sample budget template is available here in an editable form. It is provided for your convenience. You do not have to use this template to meet our requirements but you must include an itemized budget in your application. Simply insert rows in each section if you have additional line items. If the proposed project will be 100% funded by the grant, do not enter anything in the Other Funding Source column. If the grant funds will contribute to the completion of a project that will also be funded by other sources, please identify the amount of this funding in the Other Funding Source column. In addition, in the Budget Narrative please identify what the other funding sources are and if the funding has been secured.
