Dear Franklin Township Board of Education and Dr. Fredericks,

This letter serves as official notification of my retirement from Franklin Township School. My last day of attendance will be November 30, 2017, with my retirement beginning December 1, 2017.

I thank you for the opportunity to serve your school for over 17 years. I have always enjoyed teaching 6-8 grade math and Algebra 1. I am proud of our students, past and present, and their good test scores reflect their hard work and eagerness to learn. My goal was to always make positive contributions to our school, and create a love for mathematics from our students.

Though I am looking forward to retirement, I will miss Franklin because I will be leaving an amazing group of educators, along with a supportive community and school board who have given me the opportunity to educate their children.

I am willing to help in any way to make the transition as smooth as possible. This includes assisting in recruiting and training my replacement.

I wish you and the students at Franklin Township School all the best in the years to come. Thank you again, for the privilege of teaching your children.

Sincerely,

Lenore Tigue
